25X1 3. [ ] J. G. Sourwine, Senate Internal Security Subcommittee staff, telephoned referring to two articles in the EVENING STAR of 17 October. Apparently it was reported that Averell Harriman in his discussions with Khrushchev had been informed by Khrushchev that he planned to step down after his 70th birthday and would arrange for his successors. Sourwine wished to know, on a non-attributable basis, whether we could tell him if Harriman reported such a statement. I indicated I would check this and advise.

[ ] is preparing a reply along the lines of our previous letters indicating that we would be pleased to cooperate so long as there was not any attribution to the Agency in the use of this material.
